

QuickBuy is simple for your seller and simple for you! Qualify homes, submit property data, and upload photos directly from the app whenever your seller is ready for an offer!

**Discover Your Seller's Needs**  
Ask discovery questions to help determine if the convenience and certainty of an immediate offer appeal to your seller.

**Request an Official QuickBuy Offer**  
Use the QuickBuy app to qualify the home, submit photos and property information

**Present Options**  
Receive an Offer Letter in 24-48 hours. Present the offer and discuss the best home sale solution for your seller's situation.

**Download the App Now**  
Register with your contact information.  
Submit address, photos and data through the app when ready for an OFFICIAL OFFER. (no CMA or desktop uploads required)

Generate more leads when you market your immediate sale options along with your traditional sales skills! Find marketing materials through your brokerage or [www.movingstation.com/agent-marketing-resources/](http://www.movingstation.com/agent-marketing-resources/)
